

My 2016-2017 Christmas

By Ella

tradition

We sit on the stairs and Mom and Dad look at the presents and take pics. :]

dinner

We eat lots of dinner. I go to 3 different dinners. I go to Delaware to visit my Grampa and Grama then I visit my Mimi and Grandfather with all my cousins.

Nataly, vivi, archer, katie, cumele and my brothers and sister.

Elf on the Shelf

My Elf looks like it's stuffed but it's "NOT". I have 3 elves: one for me and 2 for my brothers.

School

At Cooke 3rd grade and 2nd grade have a concert. I was here last year so I kind of knew what they were going to sing but they sang some different songs too.
